# 2010 Attachment O Revenue Requirement Update

- On December 22, 2009 METC reposted its 2010 Attachment O Revenue Requirement template based on the Commission's approval of METC's depreciation rate filing (*ER10-185*)
- On December 18, 2009 METC received authorization from the Commission to use proposed depreciation rates filed October 30, 2009.
  - ◆ Composite depreciation rate decrease
  - ◆ For the 2010 Attachment O this equates to an estimated \$4.3 million reduction in Annual Transmission Revenue Requirement (ATRR)
  - ◆ The modified deprecation rates' effective date is January 1, 2009 and the impact on the 2009 ATRR will be incorporated in the 2009 true up

# Reposting Summary

- The Attachment O Rate reposting incorporates the updated depreciation rates
- The composite result:
  - ◆ \$4.3 million reduction in 2010 revenue requirement from \$184.4 million to \$180.1 million.
  - ◆ \$0.0569 reduction in the transmission unit charge rate from \$2.427/kW-month to \$2.370/kW-month.
